

# Your Reward Program

# Functions, Events and Conferences

We want to reward you when you book with us

You do all the hard work, find the venue, pick the catering and ensure everything is in place.

We recognise all the effort you put in to arrange a function and the trust that is placed on us as a venue to deliver a successful event.

In recognition of your loyalty, we are delighted to provide a rewards program for you.

Simply when you make a booking with us we will reward you at every milestone.
